As Senior Team Development Consultant at Ubisoft, you'll help video game production leaders, managers, and their teams, work more effectively together.

Joining a team of experienced professionals, you'll leverage your skills to coach leaders and their teams during critical moments in the production process. Your contributions will span from improving team cohesion and performance to clarifying strategic direction and creative vision.

Through your coaching, facilitation, and guidance, you'll significantly enhance organizational health across our six Canadian studios.

## **What you'll do**

With a consulting mindset focused on understanding client needs and delivering tailored solutions, you'll:

- Coach leaders and teams to navigate complex challenges, improve performance, and enhance team health, while experimenting with new methods and reflecting on learnings.
- Engage in participatory processes to foster innovative solutions and stronger connections within teams.
- Design and host interventions such as mediations, facilitation sessions, narrative inquiry, and coaching based on client needs.
- Collaborate closely with Talent colleagues, especially those working with senior leaders, to identify opportunities, exchange ideas, track progress, etc.
- Contribute to developing and leading internal practices that support team strategy, prioritization, learning, and dynamics.

## **What you'll bring to the team**

- Extensive experience in a relevant field such as management consulting, organization development, learning and development, HR, or employee engagement
- Practical experience with at least two of following: strategic planning, team cohesion, team effectiveness, or innovation/ideation
- Exceptional interpersonal, listening, and communication skills
- The ability to take initiative and manage multiple mandates simultaneously
- Comfort navigating ambiguity and complexity
- Proficiency in French

## **Nice to have but not required**

- Familiarity with dialogic organizational development or anthro-complexity
- Knowledge of the video game industry, production pipelines, and the game production professions

## **Additional details**

- Position type: Permanent, with the flexibility to work 32-40 hours per week.
- Work style: Primarily independent, with occasional collaboration in pairs or committees
- Work arrangement: Hybrid model, with 3 days in person at the office (or 2 days if working 32 hours per week).
- Travel: Occasional travel required

- Location: Based in Montreal, with regular in-person presence at the studio and openness to travel to other studios as needed

### **What to send our way**

- Your CV, highlighting your background and skills
- Your brief answers (2 sentences) to each of the following questions:

1. What interests you the most about this opportunity?

1. What do you find to be the biggest challenge in this kind of work?
