Join a team of passionate technical experts dedicated to creating a secure, scalable, and high-performing infrastructure that supports essential business applications. Our mission is to foster innovation, enhance agility, and ensure best practices in security, compliance, and disaster recovery. We work together in a collaborative and supportive environment, partnering with teams across the organization to optimize and strengthen their operations.

As a **Brand Specialist Intern**, you will work closely with leadership and teams to establish a strong, unified department identity. This role offers an opportunity to apply your creativity, design expertise, and strategic thinking to make a lasting impact within and beyond the organization.

Responsibilities

- Utilize tools such as Confluence, Microsoft Teams, and Jira to enhance collaboration and workflow.
 - Work with stakeholders to define the department's vision, mission, and values.
 - Develop brand guidelines to ensure consistency across platforms.
 - Customize SharePoint, Confluence, and Teams for a cohesive digital presence.
 - Organize and structure content, branding, and collaboration tools effectively.
 - Align product website branding with the department's identity.
 - Reorganize Miro boards and ServiceNow categories for better usability.
 - Streamline email and distribution lists to improve communication.
-
- Currently pursuing a **bachelor's degree in Communications, Marketing, Design, Technology, or a related field**, with an internship requirement as part of your program.
 - Strong design skills with experience using tools like Microsoft Teams, SharePoint, and Confluence.
 - Ability to communicate effectively with stakeholders, including colleagues and managers.
 - Skilled in gathering and structuring information from multiple sources within a team.
 - Capable of working independently and driving initiatives from start to finish with minimal supervision.

Just a heads up: If you require a work permit, your eligibility may depend on your education and years of relevant work experience, as required by the government.

Skills and competencies show up in different forms and can be based on different experiences, that is why we strongly encourage you to apply even though you may not have

all the requirements listed above.

At Ubisoft, we embrace diversity in all its forms. We're committed to fostering an inclusive and respectful work environment for all. We know the importance of providing a pleasant interview experience, therefore if you need any accommodation, please let us know if there is anything we can do to facilitate the interview process.
